

Last year, our conference commemorated its 25th anniversary. We started with four founding members, had no money, no poor people to help, and little expertise to carry out SSVP's tasks. What we did have was passion and faith that, with the help of the Lord's grace and blessings, we would evangelise by sharing the good news with the impoverished, overcome several obstacles, work to grow our membership, as well as reaching out to benefactors for their kind assistance.

Over the course of 25 years, we **provided food assistance to 291,000** beneficiaries **in the following areas:** Elands Bay, Veldrift, St Helena Bay, Vredenburg, Saldanha, and Langebaan

Our Conference and our benefactors gave the impoverished:

- ⇒ hope when they felt hopeless.
- ⇒ Joy in the midst of their sadness.
- ⇒ Solace at times of loneliness.
- ⇒ Warmth in the face of cold.
- ⇒ Faith when they were hungry and their pleas were heard

Example of our and our benefactors' work that portrays

Our mission to serve the **Poor**, in **Poverty** and **Spirit**.
